

BEREA RECREATION CENTER – COVID-19 REOPENING GUIDELINES

PHASE 4 - UPDATED: EFFECTIVE OCTOBER 5, 2020 @ 8:00AM

The Berea Recreation Center has always been dedicated to delivering a healthy way of life to our community, and with a carefully planned and phased approach, we have reopened. The safety of our patrons and team members is what is most important right now as we go through this process. Each of us will play an important role in making the Berea Rec a safe experience for everyone.

In accordance with local and state governmental orders and guidelines we are taking extra precautions to help our members and staff stay safe and healthy.
