9.01 Seniority is defined as the uninterrupted length of continuous service which each employee has in the employ of the City and, secondarily, the uninterrupted length of continuous service which each employee has in a permanently-assigned Work Classification.

9.02 If two (2) or more employees commence employment or are appointed to the same Work Classification, on the same date, the relative seniority between them shall be determined by their continuous service with the City. - a) Voluntary resignation;
- b) Retirement;
- c) Permanent total disability;
- d) Discharge for just cause;
- e) Layoff or Leave of Absence during Probationary Period, or layoff or Leave of Absence for a period equal to a maximum of twenty-four (24) months.
- f) Failure to report within five (5) days of recall from layoff or release to return from medical Leave of Absence.

9.04 In the event that the Employer reduces the size of the work force for any reason, such reduction shall require that all temporary and seasonal employees be laid-off first and thereafter such reduction in force shall take place in accordance with the seniority provisions set forth in this Article in inverse order within Work Classification. In the event of a layoff, employees who are subject to layoff may be displaced employees with lesser departmental seniority in the next lower classification (if any).

9.05 Upon layoff an employee may, upon request, receive cash payment for all earned, but unused, vacation. Such payment shall be made no later than the second pay period following layoff.

9.06 Any employee(s) scheduled for layoff shall be notified of the same not less than fifteen (15) calendar days in advance of such layoff, together with similar notice to the Union.

9.07 Recall to work shall be in the inverse order of layoff, and all employees shall retain the right to recall for twenty-four (24) months from the date of layoff based upon the schedule in 9.03 e).

9.08 At the City's option, notice of recall shall be sent by U.S. Certified Mail return receipt requested, regular U.S. mail, and/or e-mail to the address of the employees listed upon the records of the Employer.

9.09 The parties will meet and confer as soon as possible but, except in case of emergency, in no event less than ten (10) days prior to a scheduled action by the City, prior to any implementation

of a layoff, furlough or reduction in hours. In the event the City privatizes work, which ultimately, results in the reduction of the work force, the City will meet and confer with the Union prior to such privatization.

ARTICLE 10

PROBATIONARY PERIOD

10.01 All newly-hired employees are required to serve a Probationary Period of twelve (12) months. During the Probationary Period, the newly-hired employee will not be covered by the terms of the Agreement and the Employer shall have sole discretion to discipline or discharge any such probationary employee and any such action shall not be appealable through any grievance or appeal procedure contained herein. Additionally, any newly-hired employee must successfully obtain and maintain an Operator I Supply License by the completion of the employee's twenty-fourth (24th) month of employment. Failure to do so may result in termination of employment and any adverse action taken against the employee, including termination, shall not be appealable. Employees employed as of the date of the final execution of this Agreement who do not yet have their Operator I Supply License will have twenty-four (24) months from that final execution date within which to obtain their Operator I Supply License.

10.02 If an employee is separated from service with the City during the initial Probationary Period and is later rehired, such employee shall be considered a new employee and shall be subject to the provisions of paragraph 10.01 above.

10.03 All newly-promoted employees are required to serve a promotional probationary period of twelve (12) months. During such period the Employer shall have the sole discretion to return such employee to the position previously held and any such action shall not be appealable through any grievance or appeal procedure contained herein.

10.04 During the Probationary Period established in this Article, an employee shall have no seniority with the Employer. Upon satisfactory completion of the Probationary Period, the employee shall have seniority commencing with the date of hire.

10.05 Such probationary employees are not eligible for overtime during the first twelve (12) months unless: (1) the employee has obtained an OEPA Lab Certification for Operator Analysis, (2) overtime is carrying over from a scheduled shift, (3) emergencies, or (4) if Management permits the overtime.

ARTICLE 11

HOURS OF WORK

11.01 The normal work week for regular full-time employees shall consist of forty (40) hours of work exclusive of time allotted for meals. The Employer shall determine the hours of work. However, the Employer agrees to notify the Union prior to changes in the work week that would result in employees regularly working a different number of hours per shift. The Employer also agrees to meet and confer with the Union about such changes, upon the Union's request. The hours of work set out herein shall not be construed as any guarantee of hours to be worked in any day or any week.

11.02 The Employer shall not stagger the workweek for the sole purpose of depriving any employee of overtime.

ARTICLE 12

OVERTIME

12.01 Overtime is defined as any work actually performed, and approved by the Employer, in excess of forty hours (40) in a week or in excess of an employee's normally scheduled shift. For the purpose of calculating overtime, all approved Leave with Pay calculated elsewhere in this Agreement shall be included as work actually physically performed. (i.e., In order to be paid overtime compensation in a week, an employee must have a combined total of 40 hours worked, including any approved Leave with Pay usage.) Unpaid leave does not count as work performed.

12.02 Any employee who works overtime, as defined in paragraph 12.01 above, shall be compensated at the rate of one and one-half (1-1/2) times their regular hourly rate for all overtime hours worked.

12.03 Compensatory time may be banked to a maximum of forty (40) hours and will be earned and paid at the same rate as other overtime. The time can be used with the permission of the Employer in blocks of two (2) hours.

An employee who accrues the maximum of forty (40) hours of Compensatory Time in a calendar year is not required to use all of the forty (40) hours that the employee has initially banked before accruing additional Compensatory Time, provided that the employee cannot exceed the annual maximum of forty (40) hours of accrued time in a calendar year.

All Compensatory Time that has not been used or paid by December 31 of any year shall be paid to the employee by the end of the succeeding January at such employee's preceding December rate of pay, except that at such employee's option, exercisable in December, such employee may opt to carryover up to twenty-four (24) hours of such Compensatory Time to the succeeding year. Notwithstanding the above, the City has the right to reject a request for Compensatory Time, if necessary, to meet operational needs and manpower requirements.

12.04 The Employer shall distribute overtime work in a fair and equitable manner to all employees within the Department.

ARTICLE 13

RATES OF PAY

13.01 Effective January 1, 2022, all employees shall be paid in accordance with the wage table attached hereto as Exhibit A.

The wage rates for Operator/Maintenance Technician Class II and Operator/Maintenance Technician Class III are contingent on those employees agreeing to assume the designation of "Backup Operator of Record" for the City's Water Treatment Plant and to accept all responsibilities that accompany that designation. Any employee who holds a Class II or Class III license, but refuses to assume the designation of "Backup Operator of Record" or refuses to accept

the responsibilities accompanying that designation shall be paid at the Operator/Maintenance Technician Class I rate of pay. Any employee titled as a Class II or Class III Operator/Maintenance Technician who, in such position, refuses to perform the duties of "Backup Operator of Record" or refuses to accept the responsibility accompanying that designation may be reclassified as an Operator/Maintenance Technician Class I.

If an employee earns more than the rates established in this Section at the time of the execution of this Agreement, that employee will continue to earn his current rate of pay as of the execution of this Agreement.

13.02 Effective January 1, 2023, all employees shall receive a three percent (3%) base wage increase and be paid bi-weekly according to the wage schedule set out in Exhibit A, attached hereto and made a part hereof as if fully rewritten herein.

13.03 Effective January 1, 2024, all employees shall receive a three percent (3%) base wage increase and be paid bi-weekly according to the wage schedule set out in Exhibit A, attached hereto and made a part hereof as if fully rewritten herein.

13.04 All employees covered by this Agreement shall be paid at an hourly rate, multiplied by the number of hours worked. Solely for the purpose of reporting annual income to any legitimate inquiry, the annual wage of any employee may be reported as the multiplication of the hourly rate times Two Thousand and Eighty (2,080).

13.05 The Employer reserves the right to implement (or eliminate) permanent or a seasonal night shift of 6:00 p.m. to 6:00 a.m., as dictate by operational needs and determined solely by the Employer. Any employee assigned to and who actually works a night shift will be paid an additional \$0.75 per hour as a shift premium.

ARTICLE 14

LONGEVITY COMPENSATION

14.01 All employees shall receive additional compensation for continuous full-time length of service with the Employer according to the following schedule:

- a) On December 1 in the calendar year following the year in which the employee completes five (5) years of continuous full-time service, such employee shall receive One Hundred Dollars (\$100).
- b) On December 1 in each calendar year following the year in which the payment set out in sub-paragraph a) above has been made, the employee shall receive an amount calculated by multiplying the total number of consecutive years of continuous full-time service, minus three (3) times Eighty-Five Dollars (\$85).

ARTICLE 15

UNIFORM ALLOWANCE

The clothing allowance in the first year of employment shall be pro-rated based on whole months of employment between the date of completion of the Probationary Period and February of the next succeeding year. The Employer is not responsible for providing a Uniform Allowance if the Employer elects to provide employees with required uniform items at the Employer's cost.

15.02 All employees shall meet the requirements of the Employer as to the use and wearing of appropriate clothing in the performance of assigned work. Failure to meet such clothing requirements shall be cause for disciplinary action, including dismissal.

15.03 The Employer will provide an adequate amount of work gloves, as determined and selected by the Employer. The employees shall be responsible for any other gloves as necessary to perform their job.

ARTICLE 16

EXPENSE ALLOWANCE

16.01 Any employee who is authorized by the Employer to use a private automobile for a business purpose shall be compensated in cash money for such use at the rate of reimbursement per mile consistent with Internal Revenue Service Regulations then in effect.

16.02 No private automobile shall be used for a business purpose unless proof of liability insurance upon the same in an amount not less than Three Hundred Thousand Dollars (\$300,000) shall be provided to the Employer.

ARTICLE 17

INSURANCE

17.01 The Employer shall provide, at no cost to the employee, insurance upon the life of all employees who have completed one (1) month of continuous service with the City, in the amount of Twenty-Five Thousand Dollars (\$25,000). All employees shall have the further option to purchase additional life insurance in the amount of up to a total of One Hundred Fifty Thousand Dollars (\$150,000) subject to insurability requirements of the carrier, upon the payment of the appropriate premium for such additional amount of insurance.

17.02 The Employer shall continue to provide all medical and hospitalization insurance in effect for employees who have completed sixty (60) days of employment and their dependents upon the terms and conditions of the City of Berea Health Insurance Plan (Summary Plan Document), as amended January 1, 2021, provided that the employee contribute the following health care premium share for the actual cost of his or her health insurance: 8%.

for a three tier program, that the employee's co-pay for Tier 1, generic drug prescriptions shall be Ten Dollars (\$10) per prescription; and the employee's co-pay for Tier II, formulary drugs shall be Twenty Dollars (\$20) per prescription; the employee's co-pay for Tier III, non-formulary drugs, subject to prior approval, shall be Thirty-five Dollars (\$35) per prescription.

17.03 The Employer reserves the right to change insurers in any and all matters of insurance covered by this Agreement; provided, however, that the benefits are equal to or greater than existing prior to such change.

17.04 Joint Medical/Hospital Insurance Committee. The parties agree that in an effort to reduce hospitalization/medical costs citywide, a Joint Medical/Hospitalization Insurance Committee will be formed and with a representative from the Utility Workers of America, Local 270, will be established and convened at least one (1) time per year or more, if practicable, to review alternative insurance coverage and plans and make recommendations to the Employer. As part of this process, the representatives shall have access to all non-confidential information. The Union may designate an employee as a representative on the committee and the Employer will require the City insurance representative to actively participate with the committee.

The Committee will analyze cost containment measures including, but not limited to, deductibles, co-pays, out-of-pocket maximums, prescription drug coverage and possible changes in providers. All City employees are to share in any cost reductions achieved by the Committee.

ARTICLE 18 PAYMENTS UPON DEATH

18.01 Upon the death of an employee, all sums earned and accrued pursuant to this Agreement shall be paid, in order as allowed by law, to: a) the next of kin, b) other beneficiary(ies) designated by such deceased employee or c) the estate of such deceased employee.

ARTICLE 19 SICK LEAVE

- a. Illness or injury to the employee;
- b. Exposure by the employee to a contagious disease communicable to other employees; and/or

19.02 All employees shall earn Sick Leave at the rate of five (5) hours per bi-weekly pay period during which such employee actually worked or was absent by reason of Leave granted in this Agreement. An employee may accumulate Sick Leave to an unlimited amount.

19.03 An employee who is to be absent on Sick Leave shall notify the Employer of such absence and the reason therefore at least three (3) hour before the start of the work shift on each day of absence, unless hospitalized.

19.04 Sick Leave may be used in segments of not less than one (1) hours.

19.05 In the event an employee is absent for more than two (2) consecutive regularly-scheduled shifts, more than four (4) regularly-scheduled shifts in any fourteen (14) consecutive day period or has five (5) or more single days absence in a calendar year by reason of illness, the Employer may require appropriate and satisfactory proof as to the reason for such absence before the absence(s) may be charged against accumulated Sick Leave. In addition, the Employer may require of any employee claiming Sick Leave as set out in this paragraph a statement from a physician licensed to practice medicine in the State of Ohio indicating the ability of such employee to return to active duty in the capacity which was left by reason of such illness.

If the employee fails to submit appropriate and satisfactory proof of illness or, if required, fails to submit a statement as to physical fitness for returning to duty, any absence relating thereto shall be considered an Unauthorized Leave Without Pay.

remedy other than those explicitly provided for by this Grievance Procedure shall automatically be considered to have waived all remedies provided under this Grievance Procedure.

- g. The time provisions herein are to be strictly applied and any grievance not filed within the specified time limits shall be void. The parties may, by mutual written agreement, extend the time limitations set forth in this Article.
