THE CONTRACT

1.01 This Agreement is entered into by and between the City of Berea, Ohio, hereinafter referred to, variously, as the "Employer" and the "City," and the International Association of Firefighters, Local 1836, AFL-CIO, hereinafter referred to, variously, as the "Union," the "Bargaining Unit," the "Bargaining Agent" or, individually, as "employee(s)," "Firefighter(s)," "Fire Lieutenant(s)," or "Fire Captain(s)."

ARTICLE 2

PURPOSE AND INTENT

2.01 In an effort to continue harmonious and cooperative relationships with its employees and to ensure the orderly and uninterrupted efficient operations of government, the Employer desires to enter into a collectively bargained Agreement which has for its purposes, among other, the following: 1) to recognize the legitimate interests of the employees to participate through collective bargaining in the determination of certain of the terms and conditions of their employment; 2) to promote fair and reasonable working conditions; 3) to promote effective and efficient service to the residents of the City of Berea, Ohio; 4) to avoid interruption, interference, or inefficiency in the operation of the Government of the City; and 5) to provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE 3

RECOGNITION

3.01 The Employer hereby recognizes the Union as the sole and exclusive Bargaining Agent with respect to wages, hours, and certain terms and conditions of employment for all employees occupying the position(s) of Firefighter, Fire Lieutenant, and Fire Captain, excluding all part-time employees. All other employees of the Employer are excluded from the Bargaining Unit.

3.02 The Employer warrants that no employee shall be transferred to a position in any other Department or Division within the City, which position requires qualifications substantially different from those of the Division of Fire, without the written consent of such employee.

ARTICLE 4

MANAGEMENT RIGHTS

4.01 Unless otherwise agreed to elsewhere within this Collective Bargaining Agreement, the Employer shall have the right and responsibility to: 1) determine matters of managerial policy which include areas of discretion or policy such as the functions and programs, standards of services, overall budget, utilization of technology, and organizational structure; 2) direct, supervise, evaluate, and hire employees; 3) maintain and improve the efficiency and effectiveness of operations; 4) determine the overall methods, processes, means, and personnel by which operations are to be conducted; 5) suspend, discipline, demote or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain employees; 6) determine the adequacy of the work force; 7) effectively manage the work force.

4.02 In addition, the Union agrees that all of the functions, rights, powers, responsibilities, and authority of the Employer with regard to the operation of its business, and its direction of the work force, which the Employer has not specifically deleted, granted, or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer.

ARTICLE 5

NO-STRIKE

5.01 The Union does hereby affirm and agree that it will not, directly or indirectly, call, sanction, encourage, finance, instigate, or assist in any way, in any strike, slowdown, walkout, work stoppage, or other concerted interference with, or the withholding of services from, the Employer, including any sympathy strike, nor shall any employee member of the Union act to do so.

5.02 In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage, and attempt to prevent, any violation of this Article. If any violation of this Article occurs, the Union shall immediately notify all employees that the strike, slowdown, work stoppage, or other concerted interference with, or the withholding of services from, the Employer is prohibited and not sanctioned by the Union, and immediately order, in writing, all employees to return to work forthwith, with a copy of such order delivered to the Employer. Thereupon, the liability of the Union for sponsoring an unauthorized activity as prohibited by this Article shall cease.

5.03 It is recognized by the parties that the Employer is responsible for, and engaged in, activities which affect the health, safety, and welfare of its citizens and that any violation of this Article gives rise to irreparable damage to the Employer and the public at large.

5.04 It is further agreed that any violation of this Article shall be sufficient grounds for discharge or other disciplinary action.

5.05 The Employer shall not lock-out any employee(s) during the term of this Agreement.

6.01 The Employer and the Union agree not to discriminate against any employee(s) on the basis of race, color, creed, national origin, age, sex, disability, or handicap.

6.02 The Union expressly agrees that membership in the Union is at the option of the employee and that it will not discriminate with respect to representation between members and non-members.

ARTICLE 7

DUES DEDUCTIONS

7.01 During the term of this Agreement, the Employer shall deduct regular Union dues from the wages of those employees who have voluntarily signed dues deduction authorization forms authorizing such deductions. If the compensation of an employee for any period is insufficient, the Employer shall make the deduction from the next pay period which is sufficient.

7.02 The Employer agrees to supply the Union with a list of employees for whom dues deductions have been made

7.03 A draft in the amount of total dues withheld from employees authorizing such deduction shall be tendered to the Treasurer of the Union within thirty (30) days from the date of making said deductions.

7.04 The Union hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of the obligations of this Article.

ARTICLE 8 UNION/EMPLOYEE RIGHTS

8.01 The Employer shall not discriminate against, interfere with, nor restrain any employee from lawful membership and activity in the Union.

8.02 The Employer shall allow the Union to conduct local Union meetings on City property, provided that the Union informs the Chief of any such proposed meeting, and the Chief finds that such meeting will not interfere with the operation of the Division.

8.03 An employee who is an elected officer of the International Association of Firefighters, Local 1836, AFL-CIO, who is scheduled for duty, shall be authorized to attend various meetings of the said Union, without pay, upon the advance approval of the Chief.

8.04 Whenever a firefighter, who is a sworn member of a fire department in Cuyahoga County, Ohio, is killed in the line of duty, one (1) employee member of the Union shall be given time off with pay to attend the funeral and shall be afforded the use of a marked fire vehicle for such purpose.

8.05 Seniority shall be determined by the length of service within the Division of Fire, Department of Public Safety, of the City of Berea, Ohio. In the event that an employee shall have been separated from the Division of Fire and is subsequently rehired, the seniority for such rehired employee shall be determined by the length of service within the Division of Fire commencing with the date of rehire. In the event that two (2) or more employees shall have the same commencement date, seniority between them shall be determined by their relative placement on the Eligible Candidates List of the Berea Civil Service Commission from which such employees were appointed to service in the Division of Fire, the higher placement being the senior employee.

8.06 All layoffs of employees shall be on the basis of reverse seniority, wherein an employee of lesser seniority shall be subject to layoff before an employee of greater seniority. Similarly, laid-off employees shall be called back to service in order of seniority, with the laid-off employee having the highest seniority called back before an employee of lesser seniority.

ARTICLE 9 PROBATIONARY PERIOD

9.01 All newly-hired employees are required to serve a Probationary Period of eighteen (18) months. During the first sixty (60) days of such Probationary Period, the newly-hired employee shall not be entitled to participate in the medical and hospitalization Employee Benefit Plan provided for by this Agreement, but shall otherwise be covered by the terms of this Agreement. During the entire Probationary Period, however, the Employer shall have the sole discretion to discipline or discharge any such probationary employee and any such action shall not be appealable through any grievance or appeal procedure contained herein.

9.02 If an employee leaves the service of the City during the initial probationary period and is later rehired, such employee shall be considered a new employee and shall be subject to the provisions of paragraph 9.01 above.

9.03 All newly promoted employees are required to serve a promotional probationary period of one (1) year. During such period, the Employer shall have the sole discretion to return such employee to the position previously held, and any such action shall not be appealable through any grievance or appeal procedure contained herein.

ARTICLE 10

All employees hired after January 1, 1985, and before January 1, 1995, shall, at the employer's expense, participate in paramedic training during the probationary period, and shall become certified Paramedics as a condition of the satisfactory completion of the probationary period.

10.02 Except as limited by the application of the second sentence of 10.01 above, all employees hired after January 1, 1985, shall continue their Paramedic certification as a condition of continued employment with the Employer. In the event that a certified Paramedic is unable to continue to accept paramedic assignments by reason of emotional distress relating solely to paramedic work, continued employment with the Employer will not be conditioned upon maintaining Paramedic certification if such emotional distress shall be certified by one (1) physician licensed to practice medicine in the state of Ohio and holding Board Certification in Psychiatric Medicine, who shall be chosen by the Employer and from out of town. The cost of certification shall be divided equally between the City and the employee.

10.03 All Employees hired after January 1, 1985 shall maintain Paramedic certification for a minimum period of fifteen (15) years of employment with the City.

After fifteen (15) years of employment as a certified Paramedic, such Employees shall have the option of discontinuing such certification (with a consequent elimination of paramedic wage supplement) so long as the pool of Paramedics hired after January 1, 1985 then exceeds eighty percent (80%) of the total Employees within the collective bargaining unit.

Seniority shall be used as a basis for determining which Employee shall be given the option of discontinuing Paramedic certification wherein Employees with more seniority shall be allowed to discontinue such certification prior to Employees with lesser seniority.

Paramedic certification for the collective bargaining unit members shall at no time be less than eighty percent (80%) of such members

ARTICLE 11

12.03 An employee required to work overtime by reason of initial paramedic training shall be compensated at one and one-half (1 ½) times the rate shown in column one (1) of Exhibits A, B and C attached hereto.

12.05 An employee required to appear in any court on a matter related to employment, wherein such employee is neither a plaintiff nor a claimant, shall be compensated at the regular wage rate of such employee for any absence from regularly scheduled work occasioned by such court appearance. No other benefits granted elsewhere in this Agreement shall be diminished in any way by reason of the court appearance referred to in this paragraph.

ARTICLE 15 **LONGEVITY COMPENSATION**

15.01 All employees shall receive additional compensation for length of service with the Employer according to the following schedule:

- a. On December 1 in the calendar year in which an employee completes five (5) years of continuous service, such employee shall receive One Hundred Dollars (\$100);

b. 15.02 All payments made to employees by reason of this Article shall be made in a draft separate and distinct from the regular bi-weekly wage payments, and Federal Withholding Tax shall be calculated on this sum separately and distinctly from all other wage payments.

21.05 In the event an employee is absent for more than two (2) consecutive regularly scheduled tours of duty, or more than four (4) regularly scheduled tours of duty in any one (1) month by reason of illness, the Chief may require appropriate and satisfactory proof as to the reason for such absence before the absence(s) may be charged against accumulated Sick Leave. In addition, the Chief may

The cost of such examination and opinion shall be borne by the Employer.

If the employee fails to submit appropriate and satisfactory proof of illness or, if required, fails to submit a statement as to physical fitness for returning to duty, any absence relating thereto shall be considered an Unauthorized Leave Without Pay.

21.06 Any abuse of Sick Leave shall be just and sufficient cause for a disciplinary action, including dismissal.

All payments will be made at the pay rate in effect for such employee at the time of separation. All employees will be paid at the rate of their class/rank in which they retire and at the class/rank's current year pay rate (Exhibit A, B, or C). In addition, all employees will get a memo upon separation/retirement guaranteeing this benefit to them upon separation/retirement.

21.09 An employee with twenty (20) or more years' service with the employer may elect to sell back to the employer up to twelve (12) twenty-four (24)-hour tours of duty of such employee's accumulated Sick Leave in any one calendar year. For each one (1) tour of duty sold back, one (1) tour of duty Sick Leave shall be deducted from such employee's accumulated Sick Leave and such employee shall be entitled to receive a cash payment equal to the hourly rate of pay at the time of such sell back multiplied by one-third (1/3) of the total number of Sick Leave tours sold back.

Such payment shall be due and payable on the second pay date in the month of January of each year. All payments made to employees by reason of this Article shall be made in one (1) draft separate and distinct from the regular biweekly salary payments.

SUBSTANCE ABUSE TESTING AND ASSISTANCE POLICY

I. SITUATIONS UNDER WHICH AN EMPLOYEE OR PROSPECTIVE EMPLOYEE MAY BE TESTED

A. Pre-Employment Drug Testing

As part of the City's employment procedures, all applicants will be required to undergo a post-offer, pre-employment drug test/screening that is conducted by a contractor designated by the City. Any offer of employment is contingent upon, among other things, satisfactory completion of this test/screening.

B. Reasonable Suspicion Testing

1. Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to:

- a. Observable phenomena, such as direct observation of drug or alcohol use or possession and/or the physical symptoms of being under the influence or withdrawal of a drug or alcohol;
- b. A pattern of abnormal conduct or erratic behavior;
- c. Arrest or conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use or trafficking;
- d. Information provided by reliable and/or credible sources;

- e. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

C. Post-Incident Testing

- 2. An "incident" is defined as an occurrence
 - a. Involving a city-owned vehicle or a privately owned vehicle operated while conducting city business, which results in:
 - 1) A fatality;
or
 - 2) Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
 - 3) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the vehicle to be transported away from the scene by a tow truck or other vehicle or where damage to any property, real or personal, exceeds \$500.
 - b. Involving any act(s) of an act of violence committed by an Employee against another person. An "act of violence" is an assault, as defined in Ohio Revised Code 2903.13.

D. Follow up Testing after Return to Work from Assessment or Treatment

- 1. This type of testing occurs at the point an employee who has previously tested positive returns to work.
- 2. The return-to-work test is required before the employee is allowed to return. Once an employee passes the drug and/or alcohol test and returns to duty, there may be additional tests conducted over a period of at least one year. Any employee with a second positive test result will be terminated.

II. TESTING PROCEDURES

A. In general

- 1. The City will use a testing site that affords visual and aural privacy to the individual being tested sufficient to prevent unauthorized persons

from seeing or hearing test results. This site will have available all of the necessary equipment, personnel and materials for breath and drug testing. The City's alcohol and drug testing sites are located at Southwest General Hospital and/or its satellite University Hospitals UrgiCare Centers, however other sites meeting the criteria set forth within may perform any test in the event that as a result of an accident, medical attention is sought at another suitable medical facility.

2. Any employee required to submit to an alcohol and/or drug test will be required to provide positive identification.
3. All alcohol and/or drug screening tests shall be conducted by medical laboratories meeting the standards of the National Institute of Drug Abuse and the National Institutes of Health. All urine specimens to be tested for the presence of controlled substances will be analyzed by a laboratory certified under the DHHS Mandatory Guidelines for Federal Workplace Drug Testing Programs. All drug tests required by the City will therefore be shipped for analysis to a NIDA certified laboratory. No test shall be considered positive until it has been confirmed by a gas Chromatography/Mass Spectrometry full scan test or its equivalent.
4. The costs of testing required by the employer shall be paid by the employer.

B. Results

1. Alcohol testing: A positive result of blood alcohol concentration of .04% or above shall entitle the Employer to proceed with sanctions as set forth in this agreement.
2. Controlled substance test results
 - a. Initial Screen: All urine specimens will be initially tested for the use of controlled substances by an immunoassay screen, which will eliminate negative urine specimens from further consideration. Any positive test results in an initial test will be subject to confirmation through an additional, more precise and accurate testing methodology.

The cut-off level set forth below will be used for the initial screening of specimens to determine whether they are negative for the following drugs:

- 1) Marijuana metabolites- 50 ng/ml
- 2) Cocaine metabolites - 300 ng/ml
- 3) Opiate metabolites - 300 ng/ml *
*(25 ng/ml if immunoassay specific for free morphine)
- 4) Phencyclidine- 25 ng/ml
- 5) Amphetamines - 1,000 ng/ml

b . Confirmatory tests: Any urine specimen identified as positive on the initial test screen will be confirmed by a second analytical procedure independent from the initial test and which uses a different chemical technique and procedure. Gas chromatography/mass spectrometry will be used to confirm initial positive test results.

The cut-off levels set forth below will be used to establish the existence of a "confirmed positive" test result:

- 1) Marijuana metabolites -15 ng/ml
(delta 9-tetrahydrocannabinol-9-carboxylic acid)
- 2) Cocaine metabolites- 150 ng/ml
benzoylecgonine
- 3) Opiates
Codeine – 300
ng/ml
Morphine – 300
ng/ml
- 4) Phencyclidine - 25
ng/ml
- 5)

Amphetamines

Amphetamine - 500
ng/ml

Methamphetamine - 500 ng/ml (specimen must also contain amphetamine at a concentration of 200 ng/ml or greater)

c. All confirmed positive and negative test results will be reported by the laboratory to a Medical Review Officer before they are communicated to the City.

To ensure that every employee who might be subjected to drug and alcohol testing by the City is treated in a fair and impartial manner, the City has retained the services of a Medical Review Officer (MRO). The MRO is a licensed physician with knowledge of substances abuse disorders who will review and interpret positive test results from the laboratory. The MRO will also review the chain of custody to ensure that it is sufficient and complete on its face and may request quantification of the test results from the lab.

III. EMPLOYEES' RIGHTS RELATED TO AN INITIAL POSITIVE TEST RESULT

- A. In the event of a positive result, the MRO will contact the employee directly, on a confidential basis, to determine whether the employee wishes to discuss the test result. The employee will be given an opportunity to explain the findings to the MRO prior to the issuance of a report of a positive test result to the City. The MRO can request information on recent medical history and on medications taken within the last thirty days by the employee. In the event that the MRO finds support in the explanation offered by the employee, the employee may be asked to provide documentary evidence to support the employee's position.
- B. If the MRO has made reasonable, but unsuccessful efforts at contacting the individual, the MRO may contact the City in order to communicate said results. In all cases, the City shall not be informed of a positive test result until the employee has been informed or reasonable efforts have been made to inform the employee.
- C. In the event of a positive result, the employee has the right to have the sample split and tested by another DHHS-certified laboratory. Said request must be made to the MRO within 72 hours of notice to the employee that the test was positive. The cost of the test under this section is the responsibility of the employee.

IV. REHABILITATION/DISCIPLINE

- A. If the testing required has produced a positive result, the City may take disciplinary action and/or may require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. The City will not otherwise pay the costs of a rehabilitation program not covered by the employee's health insurance. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick time, vacation leave, and any other paid leave days for a period of

the program. If no such leave credits are available, the employee may apply for unpaid leave.

- B. If a rehabilitation or detoxification program is offered, the employee will not be permitted to return to the workplace until the employee demonstrates through a retest that he or she is no longer abusing any substance. Such employee may be subject to random testing upon return to work for a period of one (1) year from the date of return to work. As a condition of their continued employment, the employee must remain alcohol and drug free. Any employee in a rehabilitation or detoxification program in accordance with this Agreement will not lose any seniority or benefits.
- C. If the employee is referred to a rehabilitation or detoxification program, the City will be informed whether the employee is attending sessions and actively participating but will not receive information about the specifics of the counseling.
- D. The City will hold all employees accountable in terms of substance use but also supports rehabilitation.
 - 1. Those employees who come forward voluntarily to identify that they have a substance use problem will receive the City's support and assistance and will not be subject to disciplinary action. However, if an employee has a substance use problem and does not come forward, and the employee then tests positive for drug or alcohol use in violation of this Policy, the City reserves the right to take appropriate action, which may include referral to treatment, suspension without pay and/or termination. In all cases, the City reserves the right to take appropriate disciplinary action for other acts of misconduct which may be related to the use of alcohol and/or drugs.
 - 2. The City agrees that in the absence of other acts of misconduct, an employee testing positive for the first time for alcohol and/or other legally prescribed or over-the-counter medications will be referred to a rehabilitation program.
 - 3. There is a presumption that an employee who is found guilty or pleads no contest to a criminal offense related to substance use that occurs on City property or in a City vehicle or while conducting City business, will be terminated.
 - 4. In all other cases, whether an employee who tests positive will be allowed to sign a "last-chance" agreement to seek assistance aimed at changing substance use behavior will be determined individually based on such factors as quality of performance, length of service, willingness

to acknowledge a problem and seek help and whether the use of any alcohol and/or drugs occurred while conducting City business.

5. An employee's failure to cooperate in the implementation of this policy may be subject to disciplinary action.

V. CONFIDENTIALITY

- A. To protect the confidentiality of employees, all records of drug and alcohol testing will be stored separately and apart from the employee's general personnel documents. Access to these records shall be limited to designated City officials. Those designated City officials that shall have access to these records are charged with the responsibility of maintaining the confidentiality of these records in accordance with state and federal law. Any breach of confidentiality concerning these records may result in disciplinary action.
