(a) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(i) The employer;

(ii) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(iii) A vendor, customer, client, or patient of a person described in (F)(3)(a)(ii) of this section, or a related member of such a vendor, customer, client, or patient.

(b) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(c) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (F)(3)(a) or (b) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

(4) For the purposes of division (F)(1)(c) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:

(a) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. The City of Berea shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

(6) (a) Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to the City of Berea, if applicable, based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the City of Berea to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(b) An individual who is a resident of the City of Berea shall report the individual's net profit from all real estate activity on the individual's annual tax return for the City of Berea. **interest in a taxpayer that is treated as a partnership for federal income tax purposes, provided that the individual meets both of the following criteria:**

**(i) The taxpayer has assigned the individual to a qualifying reported location.**

**(ii) The individual is permitted or required to perform services for the taxpayer at a qualifying remote work location.**

**(b) “Qualifying remote work location” means a permanent or temporary location at which an employee or owner choose, or is required to perform services for the taxpayer, other than a reporting location of the taxpayer or any other location owned or controlled by a customer or client of the taxpayer. “Qualifying remote work location” may include the residence of an employee or owner and may be located outside of a municipal corporation that imposes an income tax in accordance with this chapter. An employee or owner may have more than one qualifying remote work location during a taxable year.**

**(c) “Reporting location” means either of the following:**

**(i) A permanent or temporary place of doing business, such as an office, warehouse, storefront, construction site, or similar location, that is owned or controlled directly or indirectly by the taxpayer;**

**(ii) Any location in this state owned or controlled by a customer or client of the taxpayer, provided that the taxpayer is required to withhold taxes under Section 191.04, on qualifying wages paid to an employee for the performance of personal services at that location.**

**(d) “Qualifying reporting location” means one of the following:**

**(i) The reporting location in this state at which an employee or owner performs services for the taxpayer on a regular or periodic basis during the taxable year;**

**(ii) If no reporting location exists in this state for an employee or owner under division (G)(1)(d)(i) of this section, the reporting location in this state at which the employee’s or owner’s supervisor regularly or periodically reports during the taxable year;**

**(iii) If no reporting location exists in this state for an employee or owner under division (G)(1)(d)(i) or (ii) of this section, the location that the taxpayer otherwise assigns as the employee’s or owner’s qualifying**

reporting location, provided the assignment is made in good faith and is recorded and maintained in the taxpayer's business records. A taxpayer may change the qualifying reporting location designated for an employee or owner under this division at any time.

(2) For tax years ending on or after December 31, 2023, a taxpayer may elect to apply the provisions of this division to the apportionment of its net profit from a business or profession. For taxpayers that make this election, the provisions of division (F) of this section apply to such apportionment except as otherwise provided in this division.

A taxpayer shall make the election allowed under this division in writing on or with the taxpayer's net profit return or, if applicable, a timely filed amended net profit return or a timely filed appeal of an assessment. The election applies to the taxable year for which that return or appeal is filed and for all subsequent taxable years, until the taxpayer revokes the election.

The taxpayer shall make the initial election with the tax administrator of each municipal corporation with which, after applying the apportionment provisions authorized in this division, the taxpayer is required to file a net profit tax return for that taxable year. A taxpayer shall not be required to notify the tax administrator of a municipal corporation in which a qualifying remote employee's or owner's qualifying remote work location is located, unless the taxpayer is otherwise required to file a net profit return with that municipal corporation due to business operations that are unrelated to the employee's or owner's activity at the qualifying remote work location.

After the taxpayer makes the initial election, the election applies to every municipal corporation in which the taxpayer conducts business. The taxpayer shall not be required to file a net profit return with a municipal corporation solely because of qualifying remote employee's or owner's qualifying remote work location is located in such municipal corporation.

Nothing in this division prohibits a taxpayer from making a new election under this division after properly revoking a prior election.

(3) For the purpose of calculating the rations described in division (F)(1) of this section, all of the following apply to a taxpayer that has made the election described in division (G)(2):

(a) For the purposes of division (F)(1)(a) of this section, the average original cost of any tangible personal property used by a qualifying remote employee or owner at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location.

## ORDINANCE NO. 2023- \_\_

**(b) For the purpose of division (F)(1)(b) of this section, any wages, salaries, and other compensation paid during the taxable period to a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location.**

**(c) For the purpose of division (F)(1)(c) of this section, and notwithstanding division (F)(4) of this section, any gross receipts of the business or profession from services performed during the taxable period by a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location.**

**(4) Nothing in this division, prevents a taxpayer from requesting, or a tax administrator from requiring, that the taxpayer use, with respect to all or a portion of the income of the taxpayer, an alternative apportionment method as described in division (F)(2) of this section. However, a tax administrator shall not require an alternative apportionment method in such a manner that it would require a taxpayer to file a net profit return with a municipal corporation solely because a qualifying remote employee's or owner's qualifying remote work location is located in that municipal corporation.**

**(5) Except as other provided in this division, nothing in this division is intended to affect the withholding of taxes on qualifying wages pursuant to Section 191.04 of this Ordinance.**

**SECTION 4.** That Section 191.05(A), which has heretofore read as follows

(A) An annual the City of Berea income tax return shall be completed and filed by every individual taxpayer eighteen (18) years of age or older and any taxpayer that is not an individual for each taxable year for which the taxpayer is subject to the tax, whether or not a tax is due thereon.

Shall be and is hereby amended to read as follows:

**(A) An annual City of Berea income tax return shall be completed and filed by every taxpayer for each taxable year for which the taxpayer is subject to the tax, whether or not a tax is due thereon.**

**SECTION 5.** That Section 191.05(G), which has heretofore read as follows:

(G)(1)

(a) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the

The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the City of Berea. No remittance is required if the net amount due is ten dollars or less.

(b) Except as otherwise provided in this chapter, each annual net profit return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the Tax Administrator on or before the fifteenth day (15th) of the fourth month following the end of the taxpayer's taxable year. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the City of Berea. No remittance is required if the net amount due is ten dollars or less.

(2) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of the City of Berea's income tax return. The extended due date of the City of Berea's income tax return shall be the 15th day of the tenth month after the last day of the taxable year to which the return relates. An extension of time to file under this division is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(a) A copy of the federal extension request shall be included with the filing of the City of Berea's income tax return.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may submit a written request that the Tax Administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's City of Berea income tax return. If the request is received by the Tax Administrator on or before the date the City income tax return is due, the Tax Administrator shall grant the taxpayer's requested extension.

(3) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of Section 5747.08 of the ORC, a taxpayer shall automatically receive an extension for the filing of the City of Berea's income tax return. The extended due date of the City of Berea's income tax return shall be the same as the extended due date of the state income tax return.

(4) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by the City of Berea, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this division, including taxpayers not otherwise required to file annual returns.

(5) To the extent that any provision in this division (G) of this section conflicts with any provision in divisions (N), (O), (P), or (Q) of this section, the provisions in divisions (N), (O), (P), or (Q) prevail.
