## RESOLUTION NO. 2024-27

By: Councilman Gene Zacharyasz Sponsor: Council President Jim Maxwell &  
Councilman At-Large Gene Zacharyasz

### A RESOLUTION

#### **SUPPORTING STATE LEGISLATION TO CONTROL INCREASES IN PROPERTY VALUES FOR TAX PURPOSES.**

**WHEREAS**, property tax assessments play a pivotal role in the fiscal outlook of a region, shaping not only government revenues but also the economic well-being of property owners; and

**WHEREAS**, fluctuations in property tax assessments directly impact property owners, and high valuations lead to increased tax burdens; and

**WHEREAS**, these increased tax burdens directly affect Senior Citizens, families with children, those on fixed incomes, and those with mortgage tax escrow accounts; and

**WHEREAS**, a common trend with property taxes is that the more populated the county, the higher the property tax is likely to be, and with a population of over 1.2 million residents, Cuyahoga County stands as one of the most populous counties in Ohio; and

**WHEREAS**, the Ohio Homeowners Relief Act, or H.B. 187, is a response to historic taxable property value hikes, initially upward of 40% in some counties, expected in counties undergoing reappraisals in the wake of pandemic-induced skyrocketing property values; and

**WHEREAS**, H.B. 187 would have empowered local elected officials with regard to property tax assessments, and would have taken effect for Tax Year 2023, as several counties braced for sizeable property tax increases; and

**WHEREAS**, H.B. 187 passed out of the House of Representatives by a vote of 58-26, and was amended in the Senate to an expanded homestead exemption which passed by a vote of 31-0; and

**WHEREAS**, the House of Representatives chose not to take any action on H.B. 187 during the last session of 2023, and has continued to take no action in 2024.

**NOW, THEREFORE, BE IT RESOLVED** by the Council of the City of Berea, State of Ohio:

**SECTION 1.** That the Council of the City of Berea hereby supports and urges the Ohio
