ARTICLE 1**THE CONTRACT**

1.01 This Agreement is entered into by and between the City of Berea, Ohio, hereinafter referred to, variously, as the "City" and the "Employer" and the Fraternal Order of Police, Lodge 15, hereinafter referred to, variously, as the "Union," the "Bargaining Unit," the "Bargaining Agent" or, individually, as "employee(s)" or "Lieutenant(s)".

ARTICLE 2**PURPOSE AND INTENT**

2.01 In an effort to continue harmonious and cooperative relationships with its employees and to ensure the orderly and uninterrupted efficient operations of government, the Employer desires to enter into a collectively-bargained Agreement which has for its purposes, among others, the following: 1) to recognize the legitimate interests of the employees to participate through collective bargaining in the determination of certain terms and conditions of their employment; 2) to promote fair and reasonable working conditions; 3) to promote effective and efficient service to the residents of the City of Berea, Ohio; 4) to avoid interruption, interference or inefficiency in the operation of the Government of the City; and 5) to provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE 3**RECOGNITION**

3.01 The Employer hereby recognizes the Union as the sole and exclusive Bargaining Agent with respect to wages, hours and certain terms and conditions of employment for all employees occupying the position of Lieutenant, excluding all part-time employees. All other employees of the Employer are excluded from the Bargaining Unit.

ARTICLE 4**MANAGEMENT RIGHTS**

4.01 The Employer retains all rights of management, including the rights to: 1) employ, discharge, transfer, suspend and discipline employees; 2) determine the number of persons required to be employed or laid off; 3) determine the qualification(s) of employees; 4) determine the hours to be worked by its employees; and to 5) make rules and regulations relating to the performance of work assigned to its employees; 6) determine the type of equipment to be used and the sequence of work processes; 7) determine the making of technological alterations by revising either process or equipment or both; 8) determine work standards and the quality and quantity of work to be produced; 9) establish, expand, transfer and/or consolidate work processes and facilities; 10) consolidate, merge or otherwise transfer any or all of its facilities, property, processes or work with, or to, any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities or processes of work; 11) eliminate all or any part of its work or facilities.

4.02 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer with regard to the operation of its business and its direction of the workforce which the Employer has not specifically deleted, granted or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer.

ARTICLE 5

NO-STRIKE/LOCKOUT

5.01 The Union does hereby affirm and agree that it will not, directly or indirectly, call, sanction, encourage, finance, instigate or assist in any way, in any strike, slowdown, walkout, work stoppage or other concerted interference with, or the withholding of services from, the Employer including any sympathy strike, nor shall any employee member of the Union act to do so.

5.02 In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage, and attempt to prevent, any violation of this Article. If any violation of this Article occurs, the Union shall immediately notify all employees that the strike, slowdown, work stoppage or other concerted interference with, or the withholding of services from, the Employer is prohibited and not sanctioned by the Union and immediately order all employees to return to work forthwith.

5.03 It is recognized by the parties that the Employer is responsible for, and engaged in, activities which affect the health, safety, and welfare of its citizens and that any violation of this Article gives rise to irreparable damage to the Employer and the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the Employer shall be entitled to seek and to obtain immediate injunctive and other relief, including judgment ordering the Union to indemnify and hold the Employer harmless from any and all costs arising from a violation of this Article.

5.04 It is further agreed that any violation of this Article shall be sufficient grounds for immediate discharge or other disciplinary action.

5.05 The Employer shall not lock-out any employees during the term of this Agreement.

ARTICLE 6

NON-DISCRIMINATION

6.01 Neither the Employer nor the Union shall discriminate against any employee on the basis of any protected class defined under federal law, state law or Employer's ordinances.

6.02 The Union expressly agrees that membership in the Union is at the option of the employee and that it will not discriminate with respect to representation between members and non-members.

ARTICLE 7**DUES DEDUCTIONS**

7.01 During the term of this Agreement, the Employer shall deduct regular Union dues from the wages of those employees who have signed dues deduction authorization forms authorizing such deductions. If the compensation of an employee for any period is insufficient, the Employer shall make the deduction from the next pay period which is sufficient.

7.02 The Employer agrees, upon a written request, to supply the Union with a list of employees from whom dues are to be made.

7.03 A draft in the amount of total dues withheld from employees shall be tendered to the Treasurer of the Union within thirty (30) days from the date of making said deductions.

7.04 The Union hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of the obligations of this Article and the Union shall indemnify the Employer for any such liabilities or damages that may arise.

ARTICLE 8**SPECIAL UNION MATTERS**

8.01 Any employee who is an elected officer of the Fraternal Order of Police shall be authorized to attend Association meetings. If such employee is scheduled for duty, he may attend such Association meetings, without pay, upon the advance approval of the Chief. Any employee acting as a shift representative for contract negotiations shall be granted time off with pay and permitted to attend negotiations between the City and the Union so long as such time off does not cause the City to incur overtime.

8.02 Whenever a police officer, who is a sworn member of a police department in Cuyahoga County, Ohio, or who is a member of Fraternal Order of Police, is killed in the line of duty, one (1) employee member of the Union shall be given time off with pay to attend the funeral and shall be afforded the use of a marked police vehicle for such purposes.

ARTICLE 9**SENIORITY**

9.01 Seniority shall be determined by the length of service with the Division of Police, Department of Public Safety of the City of Berea, Ohio. In the event that an employee shall have been formally separated from the Division of Police of the City and is subsequently rehired, the seniority for such rehired employee shall be determined by the length of service with the Division of Police since the date of rehire. In the event that two (2) employees shall have the same appointment date, seniority shall be determined by placement on the Eligible Candidate List of the Berea Civil Service Commission from which such appointments were made, the higher placement being the senior employee.

9.02 Seniority shall be terminated upon the occurrence of any of the following: a) voluntary resignation; b) retirement; c) permanent total disability; d) discharge for cause; e) layoff or leave of absence for a period equal to the employee's length of service up to a maximum of twenty-four (24) months; f) unauthorized absence from work for three (3) consecutive days.

9.03 Seniority shall not accrue during any period of an unpaid suspension of greater than ten (10) work days.

ARTICLE 10

PROBATIONARY PERIOD

10.01 All employees promoted to the rank of Lieutenant are required to serve a Probationary Period of eighteen (18) months. During such period the Employer shall have the sole discretion to reduce such probationary employee to the rank previously held.

ARTICLE 11

HOURS OF WORK

11.01 The City, at its sole and exclusive discretion, shall determine the working hours of Lieutenants. Employees whose shift duration would otherwise be reduced by one (1) hour as a result of a time change from daylight savings time to standard time, or vice versa, will stay over and work for an additional hour to make up for the hour lost during the time change.

11.02 Any employee assigned to a shift that begins at 1800 hours or later, for more than one month, shall be paid an additional 30 cents per hour in 2025, 35 cents per hour in 2026, and 40 cents per hour in 2027 for the duration of the time assigned to that shift.

ARTICLE 12

OVERTIME

12.01 The work period shall consist of eighty (80) hours of scheduled time in any two-week period. A normal work period will be established by the Chief of Police, at his sole discretion. All time worked in excess of the regularly scheduled shift shall be compensated at the appropriate overtime premium rate as set out in the attached Exhibit A. The maximum hours worked in any twenty-four (24) hour period shall not exceed sixteen (16) hours except under emergency conditions.

12.02 Any employee who works overtime, as defined in paragraph 12.01 above, shall be compensated for all overtime hours worked at the appropriate overtime premium rate set out in Exhibit A attached.

12.03 Any employee who works overtime, as defined in paragraph 12.01 above, shall be compensated for all overtime hours worked at the appropriate overtime premium rate as in paragraph 12.02 above; but in any event, such employee shall be paid the appropriate overtime premium rate for not less than three (3) hours whether or not the employee actually performed physical work during such three (3) hour period and provided further that the three (3) hour

minimum shall not apply to any overtime work which is continuous with the beginning or ending of a regularly-scheduled work shift.

12.04 Compensatory time can be banked to a maximum of one hundred forty-eight (148) hours and will be earned and paid at the same rate as other overtime. The time can be used with the permission of the Chief with five (5) days of prior notice in blocks of two (2) hours. All Compensatory Time up to 100 hours that has not been used or paid by December 31 of any year shall be paid to the employee by the end of the succeeding January at such employee's preceding December rate of pay except that, in addition thereto, at such employee's option exercisable in December, such employee may opt to carryover up to forty-eight (48) hours of Compensatory Time to the succeeding year.

12.05 Any employee required to travel outside the City of Berea shall be compensated, at the appropriate rate, for all time spent both in actual work and in transit.

12.06 To the extent reasonably practical, available regular police overtime assignments will be offered to full-time police officers before being offered to part-time or auxiliary officers. To the extent practical, the department will maintain a list of those full-time employees who do not wish to be called for normal overtime assignments.

ARTICLE 13 OFF-DUTY ARRESTS

13.01 Any employee who effects an "off-duty" arrest shall be compensated at the appropriate rate for all time necessary to complete and process such arrest; provided, however, that such employee is not otherwise compensated for such time either by the Employer or any other off-duty employer and provided further that such employee shall be compensated at the appropriate rate for not less than two (2) hours, whether or not such employee actually required the full two (2) hour period to complete such arrest.

ARTICLE 14 RATES OF PAY

14.02 The Employer hereby agrees to pay Lieutenants 10.5 percent (10.5%) above the rate of pay for Sergeants as set forth in the Agreement between the City of Berea and the Sergeants covering the same period as covered in this Agreement.

14.03 All employees shall be paid bi-weekly according to the attached wage schedule set out in Exhibit A, which shall be made a part of this Agreement.

ARTICLE 15

15.02 All payments made to employees by reason of this Article shall be made in a draft separate and distinct from the regular bi-weekly wage payments and Federal Withholding Tax shall be calculated on this sum separately and distinctly from all other wage payments.

15.03 Upon separation of any employee for cause or voluntary termination with less than fourteen (14) days advance notice, an employee shall forfeit any accrued Longevity Compensation. Upon any other separation or retirement of an employee, annual Longevity Compensation shall be calculated pro rata as to the date of such separation.

ARTICLE 16

UNIFORM ALLOWANCE

16.01 All employees shall be paid an allowance for uniform purchase, replacement, maintenance, and repair in an amount of One Thousand Four Dollars (\$1,400.00). In 2025, that amount shall be paid $\frac{1}{2}$ on the first pay date in February and $\frac{1}{2}$ on the first pay date in August. Thereafter, the full uniform allowance shall be paid on the first pay date in August each year.

16.02 All payments made to employees by reason of this Article shall be made in one (1) draft, separate and distinct from the regular bi-weekly wage payments.

16.03 Any uniform which may be damaged or destroyed in the line of duty, ordinary wear and tear excepted, shall be replaced by the City, upon the approval by the Chief and the return of the damaged uniform.

16.04 The Employer shall pay for the cost of a bulletproof vest or other item of approved protective body armor, or an approved carrier system that the employee is either required to or elects to purchase, not to exceed One Thousand Three Hundred Fifty Dollars (\$1,350) in total cost to the City. The Employer shall be responsible for payment of an article described in this Section no more than once every five (5) years.

ARTICLE 17

17.01 Any employee who is authorized by the Chief to use a private automobile for a business purpose shall be compensated in cash money for such use at the rate of reimbursement per mile consistent with Internal Revenue Service Regulations then in effect.

17.02 Any employee who is authorized by the Chief to expend personal funds for lodging, food, and other reasonable expenses of overnight travel in the line of duty shall be compensated for the same upon the presentation of an appropriate voucher or receipt indicating the actual expenditure(s) made. Meal costs will not be reimbursed for non-overnight travel. Meal costs will be reimbursed up to Fifty Dollars (\$50.00) per day for meals associated with overnight travel.

ARTICLE 18

INSURANCE

18.01 The Employer shall provide, at no cost to the employee, insurance upon the life of all employees who have completed one (1) month of continuous service with the City, in the amount of Twenty-Five Thousand Dollars (\$25,000). All employees shall have the further option to purchase

additional life insurance in an amount of up to a total of One Hundred Fifty Thousand Dollars (\$150,000) subject to insurability requirements of the carrier, upon the payment of the appropriate premium for such additional amount of insurance.

18.02 The Employer shall continue to provide hospitalization insurance in effect for employees who have completed sixty (60) calendar days of employment and their dependents upon the terms and conditions of the "City of Berea Health Insurance Plan (Summary Plan Document), as amended April 1, 2019". Such hospitalization insurance includes provisions for basic medical, major medical, prescription drug, dental care and vision care benefits. Employee contributions for the actual cost of health insurance shall be as follows:

The employee shall contribute 8% of the actual cost of health insurance on a pre-tax basis based upon the previous year's cost.

18.03 The parties agree that in an effort to reduce hospitalization/medical costs, a Citywide Joint Medical/Hospitalization Insurance Committee will be formed with a representative from each Collective Bargaining Unit as well as the non-union employees and the City, including the FOP, and convened at least one (1) time per year or more if practicable to review alternative insurance coverage and plans and make recommendations to the Employer. As part of this process, the representatives shall have access to all non-confidential information. The Employer shall have a senior employee as a representative on the Committee and the Employer will require the City insurance representative to actively participate with the Commission.

The Committee will analyze cost containment measures including, but not limited to, deductibles, co-pays, out-of-pocket maximums, prescription drug coverage and possible changes in providers.

All City employees are to share in any cost reductions achieved by the Committee.

18.04 The Employer reserves the right to change insurers in any and all matters of insurance covered by this Agreement; provided, however, that the benefits are equal to or greater than existing prior to such change.

18.05 The Employer shall continue to provide the presently existing liability insurance for employees as long as such coverage is available.

ARTICLE 19

PAYMENTS DURING DISABILITY PERIODS

19.01 An employee covered by this Agreement who may be disabled as the result of a traumatic injury suffered in the discharge or performance of his duties shall be entitled to receive regular compensation during such period of disability, but in no case for a period longer than six (6) months; provided, however, that any employee making claim for such compensation, as provided in this Article, shall reimburse to the Employer any temporary total disability benefits received from Workers' Compensation; and at the request of the Chief, submit to a physical examination by a physician chosen by the employee from three (3) physicians licensed to practice in the State of Ohio

and designated by the Employer. In the event such physician finds that such employee is able to resume assigned duties, the compensation provided for herein shall cease. The cost of such examination and opinion shall be borne by the Employer.

The compensation provided for in this Article is exclusive of Sick Leave and shall in no way affect the Sick Leave accumulated pursuant to other provisions of this Agreement. If the period of disability exceeds six (6) months, the employee shall be entitled to compensation from accumulated Sick Leave prorated to supplement Workers' Compensation temporary total benefits up to regular compensation. Nothing herein shall be deemed to amend, impair, or repeal any law establishing and maintaining any Police disability or pension fund.

ARTICLE 20

PAYMENTS UPON DEATH

20.01 Upon the death of an employee, all sums earned and accrued pursuant to this Agreement, shall be paid, in order as allowed by law, to: a) the next of kin; b) other beneficiary(ies) designated by such deceased employee or c) the estate of such deceased employee.

ARTICLE 21

SICK LEAVE

21.01 Sick Leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; and/or 3) illness or injury in the immediate family of the employee as defined in paragraph 21.07 below.

21.02 All employees shall earn Sick Leave at the rate of four and six-tenths (4.6) hours per bi-weekly pay period during which such employee actually worked or was absent by reason of paid time off granted in this Agreement with the exception of Sick Leave and Personal Leave of Absence for a full bi-weekly period. An employee may accumulate Sick Leave to an unlimited amount.

21.03 An employee who is to be absent on Sick Leave shall notify the Employer of such absence and the reason therefore at least one (1) hour before the start of the work shift on each day of absence unless hospitalized.

21.04 Sick Leave may be used in segments of not less than one (1) hour.

21.05 In the event an employee is absent for more than two (2) consecutive regularly-scheduled shifts or more than four (4) regularly-scheduled shifts in any fourteen (14) consecutive day period by reason of illness, the Chief may require appropriate and satisfactory proof as to the reason for such absence before the absence(s) may be charged against accumulated Sick Leave. In addition, the Chief may require of any employee claiming Sick Leave, as set out in this paragraph, a statement from a licensed physician indicating the ability of such employee to return to active duty in the capacity which was left by reason of such illness. The cost of such examination and opinion shall be borne by the Employer.

If the employee fails to submit appropriate and satisfactory proof of illness or, if required, fails to submit a statement as to physical fitness for returning to duty, any absence relating thereto shall be considered an Unauthorized Leave Without Pay.

If an employee becomes ill or injured prior to a scheduled vacation leave, then upon prior written request to the Chief, and with the Chief's approval, which shall not be unreasonably denied, an employee may be permitted to reschedule the vacation leave. If an employee becomes ill or injured during a scheduled vacation period, other than for a duty-related injury, the employee shall continue the vacation period as scheduled, until the scheduled vacation period has been concluded, before the employee is eligible to take sick leave.

In the event an employee requires the use of sick time on the day immediately before or after a holiday, personal day or vacation day, the Chief may require verification of sickness from a qualified medical doctor acceptable to the City. Failure to comply with this Section would result in the loss of pay for the holiday, vacation day or personal day taken.

21.06 Any abuse of Sick Leave shall be just and sufficient cause for a disciplinary action, including dismissal.

21.07 When the use of Sick Leave is due to illness or injury in the immediate family, the term "immediate family" shall be defined to include all persons related to the employee in the first degree by consanguinity or affinity or one (1) other person not included in this definition.

21.08 An employee who leaves the service of the Employer voluntarily and who has not less than ten (10) years of employment with the said Employer without reference to previous employment with any other Employer other than the City of Berea or an employee who has qualified for retirement benefits from the Ohio Police and Firemen's Disability and Pension Fund without regard to the number of years of service with the Employer, shall be entitled to receive a payment equal to the hourly rate of pay at the time of retirement multiplied by one-third (1/3) the total number of accumulated but unused sick hours earned by such employee, providing that such resulting number of hours to be paid shall not exceed three hundred and sixty (360) hours, but provided further that an employee who has twenty (20) years of cumulative service with the said Employer, without reference to previous employment with any other Employer other than the City of Berea, shall receive the compensation set out in this paragraph without regard to the three hundred and sixty (360) hour limitation.

The payments outlined above shall be paid in two equal annual installments; the first occurring on the date of the employee's retirement and/or voluntary termination; the second payment occurring on the first anniversary dated effective the employee's retirement and/or voluntary termination.

All payments will be made at the pay rate in effect for such employee at the time of separation. In addition, all employees will get a memo upon separation/retirement guaranteeing this benefit to them upon separation/retirement. If an employee dies prior to retirement or if an employee with accumulated Sick Leave dies prior to the second anniversary date of the employee's retirement, all unpaid accumulated Sick Leave due to the employee under this provision shall be paid to his or her designated beneficiary.

21.09 Normal Sick Leave usage shall not be counted against an employee in personnel matters.

21.10 An employee who is out of work on an extended sick leave or while otherwise utilizing Family and Medical Leave, and whose physician finds that such employee is not able to resume regular assigned duties, but is found to be fit to return to duty in a capacity less than normally performed, the Employee shall be returned to light or restricted duty, provided the Department can provide appropriate light or restricted duty work. Any Employee assigned to light or restricted duty work shall work an eight (8) hour workday, forty (40) hours per week. Light duty or restricted duty assignments shall not last more than four (4) weeks.

ARTICLE 22

VACATION LEAVE

22.01 Each employee is entitled to annual Vacation Leave with pay according to the following schedule based upon continuous employment with the City:

- a. Eighty (80) hours in the calendar year in which the employee completes one, two, three and four years of service; and thereafter.
- b. One hundred twenty (120) hours in the calendar year in which the employee completes five, six, seven, eight, nine and ten years of service; and thereafter.
- c. One hundred sixty (160) hours in the calendar year in which the employee completes eleven, twelve, thirteen, fourteen, fifteen and sixteen years of service; and thereafter.
- d. Two hundred (200) hours in the calendar year in which the employee completes seventeen, eighteen, nineteen and twenty years of service; and thereafter.

- 3) Opiate metabolites-300 ng/ml *
*(25 ng/ml if immunoassay specific for free morphine)
- 4) Phencyclidine-25 ng/ml
- 5) Amphetamines -1,000 ng/ml

- b. Confirmatory tests: Any urine specimen identified as positive on the initial test screen will be confirmed by a second analytical procedure independent form the initial test and which uses a different chemical technique and procedure. Gas chromatography/mass spectrometry will be used to confirm initial positive test results.

The cut-off levels set forth below will be used to establish the existence of a "confirmed positive" test result:

- 1) Marijuana metabolites- 15 ng/ml
(Delta 9-tetrahydrocannabino 1-9-carboxylic acid)
- 2) Cocaine metabolites - 150 ng/ml
(Benzoylecggonine)

- 3) Opiates
Codeine-300 ng/ml Morphine -300 ng/ml
- 4) Phencyclidine -25 ng/ml
- 5) Amphetamines
Amphetamine -500 ng/ml
Methamphetamine - 500 ng/ml (specimen must also contain amphetamine at a concentration of 200 ng/ml or greater)

c. All confirmed positive and negative test results will be reported by the laboratory to a Medical Review Officer before they are communicated to the City.

To ensure that every employee who might be subjected to drug and alcohol testing by the City is treated in a fair and impartial manner, the City has retained the services of a Medical Review Officer (MRO). The MRO is a licensed physician with knowledge of substances abuse disorders who will review and interpret positive test results from the laboratory. The MRO will also review the chain of custody to ensure that it is sufficient and complete on its face and may request quantification of the test results from the lab.

III. Employees' Rights Related to An Initial Positive Test Result

- A. In the event of a positive result, the MRO will contact the employee directly, on a confidential basis, to determine whether the employee wishes to discuss the test result. The employee will be given an opportunity to explain the findings to the MRO prior to the issuance of a report of a positive test result to the City. The MRO can request information on recent medical history and on medications taken within the last thirty days by the employee. In the event that the MRO finds support in the explanation offered by the employee, the employee may be asked to provide documentary evidence to support the employee's position.
- B. If the MRO has made reasonable, but unsuccessful efforts at contacting the individual, the MRO may contact the City in order to communicate said results. In all cases, the City shall not be informed of a positive test result until the employee has been informed or reasonable efforts have been made to inform the employee.
- C. In the event of a positive result, the employee has the right to have the sample split and tested by another DHHS-certified laboratory. Said request must be made to the MRO within 72 hours of notice to the employee that the test was positive. The cost of the test under this section is the responsibility of the employee.

IV. Rehabilitation/Discipline

- A. If the testing required has produced a positive result, the City may take disciplinary action and/or may require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. The City will not otherwise pay the costs of a rehabilitation program not covered by the employee's health insurance. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick time, vacation leave, and any other paid leave days for a period of the program. If no such leave credits are available, the employee may apply for unpaid leave.
- B. If a rehabilitation or detoxification program is offered, the employee will not be permitted to return to the workplace until the employee demonstrates through a retest that he or she is no longer abusing any substance. Such employee may be subject to random testing upon return to work for a period of one (1) year from the date of return to work. As a condition of their continued employment, the employee must remain alcohol and drug free. Any employee in a rehabilitation or detoxification program in accordance with this Agreement will not lose any seniority or benefits.
- C. If the employee is referred to a rehabilitation or detoxification program, the City will be informed whether the employee is attending sessions and actively participating but will not receive information about the specifics of the counseling.
- D. The City will hold all employees accountable in terms of substance use but also supports rehabilitation.
 1. Those employees who come forward voluntarily to identify that they have a substance use problem will receive the City's support and assistance and will not be subject to disciplinary action. However, if an employee has a substance use problem and does not come forward, and the employee then tests positive for drug or alcohol use in violation of this Policy, the City reserves the right to take appropriate action, which may include referral to treatment, suspension without pay and/or termination. In all cases, the City reserves the right to take appropriate disciplinary action for other acts of misconduct which may be related to the use of alcohol and/or drugs.
 2. The City agrees that in the absence of other acts of misconduct, an employee testing positive for the first time for alcohol and/or other legally prescribed or over-the-counter medications will be referred to a rehabilitation program.
 3. There is a presumption that an employee who is found guilty or pleads no contest to a criminal offense related to substance use that occurs on City property or in a City vehicle or while conducting City business, will be terminated.

4. In all other cases, whether an employee who tests positive will be allowed to sign a "last-chance" agreement to seek assistance aimed at changing substance use behavior will be determined individually based on such factors as quality of performance, length of service, willingness to acknowledge a problem and seek help and whether the use of any alcohol and/or drugs occurred while conducting City business.
5. An employee's failure to cooperate in the implementation of this policy may be subject to disciplinary action.

V. Confidentiality

- A. To protect the confidentiality of employees, all records of drug and alcohol testing will be stored separately and apart from the employee's general personnel documents. Access to these records shall be limited to designated City officials. Those designated City officials that shall have access to these records are charged with the responsibility of maintaining the confidentiality of these records in accordance with state and federal law. Any breach of confidentiality concerning these records may result in disciplinary action, up to including termination.
