

City of Berea
Housing Council Review Meeting
December 18, 2024 1:00 p.m.
Berea City Hall

A meeting of the Berea Municipal Housing Council Review Committee was held at Berea City Hall on Wednesday, December 18, 2024. This meeting was held in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and Chapter 109 of the Codified Ordinances of the City of Berea.

The meeting was called to order by Matthew Madzy, Director of Planning and Development at 1:00 p.m. with the following members also in attendance: Richard Koharik, Member; Kevin Davenport, Member. Absent from the meeting: Anthony Alexander, Member. Mr. Kevin Hinkel was present representing the Berea City School District. Heather Toth, Engineering Department, Hannah Budic, Engineering Department, and Mason Kahl, intern with Planning and Development, were also present. The notice of the meeting was published on December 5, 2024 and December 12, 2024 in the West Zone Sun Papers and on cleveland.com. In addition, notices were sent to the Berea City School District, Polaris Career Center and the Olmsted Falls City School District on November 26, 2024.

Mr. Madzy stated that the purpose of the meeting was to review the 2023 Residential Status report completed by the City and filed with the State on March 31, 2024 or just before.

Mr. Madzy explained that the City of Berea had created a CRA tax abatement legislation back in the late 1980s and the City operated as a pre-1994 tax abatement status. He went on to say that changes were made to the ordinance and the third change triggered the City to comply with the new rules. Mr. Madzy said that the list provided shows all the residential tax abatements currently in place in the City of Berea - but that some are commercial. These are legacy tax abatements prior to the third change. Mr. Madzy and Mr. Kahl reviewed the properties prior to the meeting and believe this year will be the last year commercial abatements will appear on the list. The legacy commercial properties are slowly working their way off the list. Next year the list will likely be strictly residential with commercial properties (that are post-1994) to be reviewed at taxes and review council.

Mr. Madzy said the goal of the meeting was to review the list and confirm that there are no exterior maintenance violations at any properties and that the 2023 taxes have been paid. He referred the Council to the lists provided; both the list sent to the state and also a short form list. He stated that exterior maintenance officers had visited the properties and found no violations. He also said Mr. Kahl had checked with the County and there were no tax delinquencies on any of the properties either.

Mr. Madzy asked for questions or comments on the list and there were none. Mr. Davenport had a general question and asked what would happen if someone had not been current on paying taxes. Mr. Madzy answered generally the option would be to recommend to City Council that the tax abatement be revoked. In the past, they have sent letters to the owners in this situation and set a deadline to pay the back taxes or enter into a payment plan. He said if this did not happen, it would set a motion triggering a recommendation to Council that the abatement be extinguished.

He added that this is similar to the way exterior maintenance violations are handled. However, deadlines can be tricky in these instances since the meeting is during the winter and weather can make certain tasks more difficult; such as painting. For this reason, they will generally make a spring due date for exterior maintenance violations to be corrected.

Mr. Madzy asked Mr. Hinkel if there were any questions or comments about any abatements on the list. Mr. Hinkel said no, not from the Berea Board and Mr. Madzy added that it was a clean list this year.

Since there were no further questions or comments, Mr. Madzy asked for a motion for approval of the list. Moved by Mr. Koharik, seconded by Mr. Davenport to approve the list as submitted. The vote on the motion was all ayes, no nays. Motion carried.

There being no further business, it was moved by Mr. Davenport and seconded by Mr. Koharik that the Housing Council Review Meeting be adjourned. The vote on the motion was all ayes, no nays. Motion carried.

Attest: 
Hannah Budic, Acting Secretary

CERTIFICATE OF COMPLIANCE

The meeting of the Housing Council Review held this 18th day of December 2024 has been conducted in compliance with all legal requirements, including C.O. Chapter 109 and Section 121.22 of the Ohio Revised Code.
